

Dr Deon Goosen – Manager Licensing & Assets, GRDC

Deon joined GRDC in 2015 as a Licensing & Assets Manager. He has 15 years experience in project management, business development and intellectual property commercialisation.

He previously worked for CRC Sugarcane Biotechnology where he managed an annual budget of \$12M. He then created and led a CRC start-up company for three years, transitioning its technology base to acquisitions and winding up the company.

He has PhD in quantitative genetics and an MBA in new venture management.
